## NAS Fileserver

<p>5325301980</p>  <p><b>500 GB</b></p>	<p><b>Overland Snap Server 210, 500GB</b> is a fixed capacity desktop network attached storage server. Includes 2 x 250GB SATA-II Lfw.s; single core 1.3GHz</p> <p>Snap Server 210, 500GB is a fixed capacity desktop network attached storage server. Includes 2 x 250GB SATA-II Drives; single core 1.3GHz processor; 256MB of Memory (1 x 256MB Memory Module); single Gigabit Ethernet port; single power supply. Supports RAID 0, 1. Software Included: GuardianOS.</p>	<p>5325301981</p>  <p><b>1,0 TB</b></p>	<p><b>Overland Snap Server 210, 1TB</b></p> <p>Snap Server 210, 1TB is a fixed capacity desktop network attached storage server. Includes 2 x 500GB SATA-II Drives; single core 1.3GHz processor; 256MB of Memory (1 x 256MB Memory Module); single Gigabit Ethernet port; single power supply. Supports RAID 0, 1. Software Included: GuardianOS.</p>
<p>5325301983</p>  <p><b>1,0 TB</b></p>	<p><b>Overland Snap Server 410, 1TB</b> is a fixed capacity 1U rack mount network attached storage server. Includes 4 x 250GB Hot-Swappable SATA-II Lfw.s;</p> <p>Snap Server 410, 1TB is a fixed capacity 1U rack mount network attached storage server. Includes 4 x 250GB Hot-Swappable SATA-II Drives; single core 2GHz processor; 512MB of Memory (2 x 256MB Memory Module) can be upgraded with 2 x 512MB Memory Modules, 1 x 1GB Memory Module or 2 x 1GB Memory Modules for a maximum of 2GB of Memory; dual Gigabit Ethernet ports; single power supply. Supports RAID 0, 1, 5 (Configured with RAID 5 as standard). Optional SCSI Adapter available for local tape backup. Software Included: GuardianOS, BakBone NetVault Workgroup Edition with up to 5 Clients and 500GB Virtual Tape Library.</p>	<p>5325302232</p>  <p><b>1,0 TB</b></p>	<p><b>Overland Snap Server 620, 1TB SATA</b></p> <p>is a 1U rack mount network attached storage server, scalable to 88TB via the optional SAS HBA to support up to 7 S50 expansion shelves. Includes 4 x 250GB Hot-Swappable SATA II Drives; Dual core AMD Opteron processors; 2GB of Memory (2 x 1GB Memory Modules) can be upgraded to 4GB of memory; dual Gigabit Ethernet ports; single power supply; Ultra320 SCSI port. Supports RAID 0, 1, 5, 6, 10. Software Included: GuardianOS, iSCSI, Snapshot, NDMP, BakBone NetVault Workgroup Edition with up to 5 Clients and 500GB Virtual Tape Library; CA eTrust AntiVirus.</p>
<p>5325302240</p>  <p><b>1,2 TB</b></p>	<p><b>Overland Snap Server 620, 1.2TB SAS</b></p> <p>is a 1U rack mount network attached storage server, scalable to 88TB via the optional SAS HBA to support up to 7 S50 expansion shelves. Includes 4 x 250GB Hot-Swappable SATA II Drives; Dual core AMD Opteron processors; 2GB of Memory (2 x 1GB Memory Modules) can be upgraded to 4GB of memory; dual Gigabit Ethernet ports; single power supply; Ultra320 SCSI port. Supports RAID 0, 1, 5, 6, 10. Software Included: GuardianOS, iSCSI, Snapshot, NDMP, BakBone NetVault Workgroup Edition with up to 5 Clients and 500GB Virtual Tape Library; CA eTrust AntiVirus.</p>	<p>5325302069</p>  <p><b>1,5 TB</b></p>	<p><b>Overland Snap Server 210, 1.5TB</b></p> <p>Snap Server 210, 1.5TB is a fixed capacity desktop network attached storage server. Includes 2 x 750GB SATA-II Drives; single core 1.3GHz processor; 256MB of Memory (1 x 256MB Memory Module); single Gigabit Ethernet port; single power supply. Supports RAID 0, 1. Software Included: GuardianOS.</p>
<p>5325302029</p>  <p><b>2,0 TB</b></p>	<p><b>Overland Snap Server 410, 2TB</b></p> <p>Snap Server 410, 2TB is a fixed capacity 1U rack mount network attached storage server. Includes 4 x 500GB Hot-Swappable SATA-II Drives; single core 2GHz processor; 512MB of Memory (2 x 256MB Memory Module) can be upgraded with 2 x 512MB Memory Modules, 1 x 1GB Memory Module or 2 x 1GB Memory Modules for a maximum of 2GB of Memory; dual Gigabit Ethernet ports; single power supply. Supports RAID 0, 1, 5 (Configured with RAID 5 as standard). Optional SCSI Adapter available for local tape backup. Software Included: GuardianOS, BakBone NetVault Workgroup Edition with up to 5 Clients and 500GB Virtual Tape Library.</p>	<p>5325302234</p>  <p><b>2,0 TB</b></p>	<p><b>Overland Snap Server 620, 2TB SATA</b></p> <p>is a 1U rack mount network attached storage server, scalable to 88TB via the optional SAS HBA to support up to 7 S50 expansion shelves. Includes 4 x 250GB Hot-Swappable SATA II Drives; Dual core AMD Opteron processors; 2GB of Memory (2 x 1GB Memory Modules) can be upgraded to 4GB of memory; dual Gigabit Ethernet ports; single power supply; Ultra320 SCSI port. Supports RAID 0, 1, 5, 6, 10. Software Included: GuardianOS, iSCSI, Snapshot, NDMP, BakBone NetVault Workgroup Edition with up to 5 Clients and 500GB Virtual Tape Library; CA eTrust AntiVirus.</p>
